OVERVIEW

In 2020, Pioneer Human Services (PHS) contracted for three community confinement programs across the State of Washington. These contracts were with the Federal Bureau of Prisons (FBOP).

The development and maintenance of an agency-level zero tolerance policy ensures that awareness and accountability exist within the agency and throughout its community confinement facilities.

PHS facilities work with the contracting agencies to increase awareness, training, accountability and focused program procedures to work towards sexual safety and a decrease in sexual misconduct.

There were no PREA allegations in 2020 calendar year.
