

PREA ANNUAL REPORT – 2021 (PRISON RAPE ELIMINATION ACT)

OVERVIEW

In 2021, Pioneer Human Services (PHS) entered into contracts for three community confinement programs located throughout the State of Washington in partnership with the Federal Bureau of Prisons (FBOP).

The implementation and upkeep of a comprehensive zero-tolerance policy at the agency level serves to foster a culture of awareness and responsibility within both Pioneer Human Services and its residential reentry centers (RRC).

Collaboratively, PHS facilities collaborate with contracted agencies to heighten awareness, provide targeted training, enhance accountability measures, and implement specialized program protocols, all aimed at advancing sexual safety and reducing incidents of sexual misconduct.

FEDERAL RESIDENTIAL REENTRY CENTERS (FBOP)

PIONEER FELLOWSHIP HOUSE

The Pioneer Fellowship House Residential Reentry Center (PFH/RRC) is a 60-bed facility that houses both males and females located in Seattle, WA. PFH/RRC provides both in-house treatment as well as referrals within the community for substance abuse, job and life skills, educational opportunities and financial education.

There were no substantiated PREA investigations in 2021 thus a facility action plan is not warranted. However, any substantiated or unsubstantiated allegations would automatically go to the PHS PREA Review Committee.

SPOKANE RESIDENTIAL REENTRY CENTER (Sites 1 & 2)

The Spokane Residential Reentry Center (SRRC), located in Spokane, WA, serves males and females who are in the custody of the Federal Bureau of Prisons, or under the supervision of the US Probation or the Pre-trial Services. The 40-bed facility houses males only, but supervises both males and females while on home confinement. Residents are required to be fully employed or enrolled in an education program, participate in recovery/counseling, complete in-house work details and meet all screening requirements for placement.

In 2021, there were no substantiated PREA investigations, making a facility action plan unnecessary. Nonetheless, the facility underwent the required PREA facility audit, conducted every three years. After the audit, a corrective action plan was developed to rectify any identified deficiencies. This plan was reviewed and approved by the relevant PREA auditor, and after a subsequent 90-day review, all areas were confirmed to be corrected.

TACOMA RESIDENTIAL REENTRY CENTER

The Tacoma Residential Reentry Center (TRRC) houses both males and females who are in the custody of the Federal Bureau of Prisons, or under the supervision of the US Probation or the Pre-trial Services. The facility houses a maximum population of 35 residents.

There were no substantiated PREA investigations in 2020 thus a facility action plan is not warranted. However, any substantiated or unsubstantiated allegations automatically go to the PHS PREA Review Committee.

External Audits

In 2021, Pioneer Fellowship House and Tacoma RRC underwent external audits to assess their compliance with the PREA Community Confinement Standards. These audits were conducted by an independent, certified PREA auditor.

The corresponding audit reports and any corrective action plans are accessible upon request. Additionally, they have been made available for public viewing on the agency's official website at <https://pioneerhumanservices.org/prea-policy>.
