## PROGRAM OVERVIEW

# CARNEGIE RESOURCE CENTER

### ABOUT PIONEER HUMAN SERVICES

Pioneer Human Services was founded to address serious societal challenges, from the long-lasting trauma of incarceration to institutionalized problems stemming from racism and classism. We have been serving people involved in the legal system in Washington since 1963. By giving justice-involved individuals a place to live, access to behavioral health care and stable employment, we're reducing the deeper social problems that often stem from a lack of opportunity. Moreover, their improved quality of life has a ripple effect that impacts their family, friends, neighbors and the broader community.

## Disaster Cash Assistance

Affected by flooding? You might qualify for emergency funds.

- [DSHS - Disaster Cash Assistance Program](#) - Disaster Cash Assistance is available Dec. 17, 2025, to Jan. 15, 2026, for eligible households affected by flooding in specific counties. Those counties include Benton, Chelan, Cowlitz, Grays Harbor, King, Kittitas, Lewis, Pacific, Pierce, Skagit, Snohomish, Thurston, Yakima and Whatcom.

To apply, call the Customer Service Contact Center at 877-501-2233 or visit your local Community Services Office between 8 a.m. and 2 p.m. Monday through Friday.

- [Flood recovery support for farmers](#) - USDA Farm Services Agency (FSA) has several emergency relief programs that can help with post-flood recovery. To qualify for this coverage:

1. Contact your local FSA office at the first sign of damage. Damage reports are needed to request funding for the Emergency Conservation Program (ECP), so please report early, even if you only have general information to share at this point. If your farm is not already registered with USDA, they can help start that process.

[Find Your Local USDA Service Center | Farmers.gov](#)

2. Document damage or losses with photos that are date stamped (phone cameras do this automatically).

Additional USDA farm support programs:

- [Emergency Conservation Program \(ECP\)](#)
- [Emergency Assistance for Livestock, Honeybees, and Farm-Raised Fish \(ELAP\)](#)
- [Livestock Indemnity Program \(LIP\)](#)
- [Emergency Farm Loans](#)

- [Tree Assistance Program \(TAP\)](#) - The Tree Assistance Program (TAP), administered by the Farm Service Agency (FSA), offers financial support to orchardists and nursery tree growers who experience losses due to natural disasters. TAP helps cover the cost of replanting or rehabilitating eligible trees, bushes, and vines that produce annual crops and have been damaged or destroyed. This program is crucial for helping producers recover from adverse events and ensuring the long-term viability of their agricultural operations.

- [Snohomish Conservation District Flooding Recovery Assistance](#) – General flood recovery resources to support those affected.
- [Evergreen State Fair Emergency Stabling](#) - The Evergreen State Fair Park is used as a resource to house livestock during times of natural disasters. The Evergreen State Fair Park determines when this resource is open for use and will communicate this through our social media channels and our website. Emergency stabling is OPEN as of 3:30 p.m. December 8, 2025 in anticipation of flooding.
- [Snohomish Flooding: U-Haul Offers 30 Days Free Self-Storage in Washington](#) – U-Haul® is offering 30 days of free self-storage and U-Box® container usage at nine Company facilities across western Washington to aid those affected by the Snohomish River flooding. The 30 days' free offer applies to new self-storage and U-Box rentals and is based on availability at each Company-owned and -operated location. People seeking more information on the disaster relief program or needing to arrange storage services can call or visit their nearest participating U-Haul center. # Coordinated Entry

A system for individuals and families experiencing or at imminent risk of homelessness

Access the Coordinated Entry system by calling **2-1-1** to speak with an Information and Referral Specialist.

## Who is eligible?

Individuals or families experiencing literal or imminent homelessness are eligible for Coordinated Entry.

**Literally homeless:** A person who is sleeping outside, in a shelter, or somewhere not meant for human habitation. Persons who are literally homeless will be referred to a Resource Navigator.

**Imminently homeless:** A person who will be losing the housing they currently have in 14 days or less. Persons who are imminently homeless will be referred to a Prevention Navigator.

**The Navigator will receive the referral from 2-1-1 and contact you to set up an appointment.**

Eligible households can access Coordinated Entry for homeless prevention and housing assistance through uniform screening, assessment, and prioritization. Support is provided to access resources and to develop action plans to address identified needs. Immediate housing resources are limited.

Dial 2-1-1 from anywhere in Washington State to receive information about resources and services available in your area. There are several Coordinated Entry service sites throughout Snohomish County and walk-in services may be available depending on location. 2-1-1 can provide information about the Coordinated Entry service location nearest to you. *Public health recommendations may limit in-person services.*

Snohomish County

Coordinated Entry supports the purpose of Snohomish County's Continuum of Care and its governing board, the Partnership to End Homelessness. For more information, visit:  
<https://snohomishcountywa.gov/2191/PEH-CoC-Board>

# Frequently Asked Questions

## **Can I use Coordinated Entry to get immediate placement into a housing program?**

Unfortunately, no. There are very limited Snohomish County housing programs available for those who need it. Many community housing resources are not filled through Coordinated Entry. These include emergency shelter, affordable housing, senior and disabled housing, Section 8 programs, and chemical dependency treatment-based housing programs. Coordinated Entry will allow you to meet with a Navigator to determine whether you are eligible for specific housing programs and other possible resources and housing solutions.

## **Can a Navigator tell me how long it will take to get housing through a certain program?**

No. All of the housing programs served through Coordinated Entry are NOT accessed on a “first come, first served” basis. Households are prioritized for programs based on an assessment. Some households will be placed before others, regardless of who contacts Coordinated Entry first. The best course of action is to work with your Navigator to identify solutions outside of the homeless housing system.

## **Do navigation services vary from agency to agency?**

No. While some agencies serve specific populations, all Coordinated Entry agencies follow the same policies and procedures. All Navigators utilize the same screening tool to assess your needs. Navigators will work with you to identify and resolve barriers to housing stability by providing direct referrals to tailored services.

SOTEFoodBlessing

## Welcome to

After Jesus did something only God could do, feeding over 5,000 people with five loaves of bread and two fish, He said, "Gather the leftovers so nothing is wasted" (John 6:12b).

We rescue food to feed others because our Lord did, too.

**Free food gifting 5 days per week  
at various locations in Snohomish County.  
See reverse side for locations.**

We collect food from local grocery stores & other resources the morning of distribution. Some items are expired or overstock. Evaluate food when you get home to see what needs to be frozen vs. used right away.

If there is excess or things you are unable to use, please pass the blessing on.

**Non-profit | Volunteer-run**

*Cash donations greatly appreciated!*
