PROGRAM OVERVIEW

CARNEGIE RESOURCE CENTER

ABOUT PIONEER HUMAN SERVICES

Pioneer Human Services was founded to address serious societal challenges, from the long-lasting trauma of incarceration to institutionalized problems stemming from racism and classism. We have been serving people involved in the legal system in Washington since 1963. By giving justice-involved individuals a place to live, access to behavioral health care and stable employment, we're reducing the deeper social problems that often stem from a lack of opportunity. Moreover, their improved quality of life has a ripple effect that impacts their family, friends, neighbors and the broader community.

Coordinated Entry

A system for individuals and families experiencing or at imminent risk of homelessness

Access the Coordinated Entry system by calling
VOA Connect at 360-VOA-HELP

Who is eligible?

Individuals or families experiencing literal or imminent homelessness are eligible for Coordinated Entry.

Literally homeless: A person who is sleeping outside, in a shelter, or somewhere not meant for human habitation. Persons who are literally homeless will be referred to a Resource Navigator.

Imminently homeless: A person who will be losing the housing they currently have in 14 days or less. Persons who are imminently homeless will be referred to a Prevention Navigator.

A Navigator will receive the referral from VOA Connect and contact you to set up an appointment.

Eligible households can access Coordinated Entry for homeless prevention and housing assistance through uniform screening, assessment, and prioritization. Support is provided to access resources and to develop action plans to address identified needs. Immediate housing resources are limited.

Dial 360-VOA-HELP or 1-800-223-8145

to receive information about resources and services available in your area. There are several Coordinated Entry service sites throughout Snohomish County and walk-in services may be available depending on location. VOA Connect can provide information about the Coordinated Entry the service location near you.

Snohomish County

Coordinated Entry supports the purpose of Snohomish County's Continuum of Care and its governing board, the Partnership to End Homelessness. For more information, visit:

<https://snohomishcountywa.gov/2191/PEH-CoC-Board>

Frequently Asked Questions

Can I use Coordinated Entry to get immediate placement into a housing program?

Unfortunately, no. There are very limited Snohomish County housing programs available for those who need it. Many community housing resources are not filled through Coordinated Entry. These include emergency shelter, affordable housing, senior and disabled housing,

Section 8 programs, and chemical dependency treatment-based housing programs.

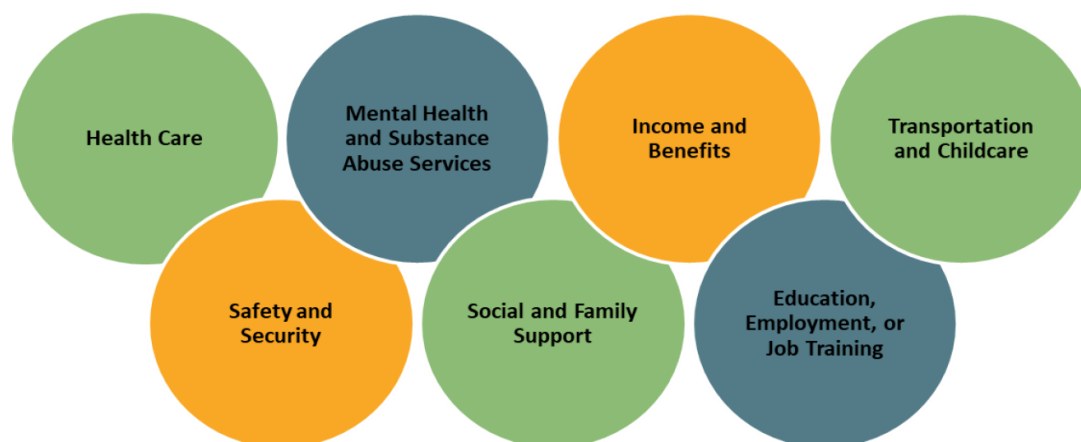

Coordinated Entry will allow you to meet with a Navigator to determine whether you are eligible for specific housing programs and other possible resources and housing solutions.

Can a Navigator tell me how long it will take to get housing through a certain program?

No. All of the housing programs served through Coordinated Entry are NOT accessed on a “first come, first served” basis. Households are prioritized for programs based on an assessment. Some households will be placed before others, regardless of who contacts Coordinated Entry first. The best course of action is to work with your Navigator to identify solutions outside of the homeless housing system.

Do navigation services vary from agency to agency?

No. While some agencies serve specific populations, all Coordinated Entry agencies follow the same policies and procedures. All Navigators utilize the same screening tool to assess your needs. Navigators will work with you to identify and resolve barriers to housing stability by providing direct referrals to tailored services.

ARE YOU EXPERIENCING HOUSING INSTABILITY OR HOMELESSNESS?

If you are experiencing a housing crisis, the Senior Housing Stability Program may be able to help. We will work alongside you and support you to:

- Understand what options may work for you based on your personal situation
- Navigate and connect to community resources
- Develop an action plan to address your needs
- Apply for various housing options

While low-income senior housing opportunities generally have long wait lists, our staff can help you understand and navigate the various programs you may want to explore.

Healing Begins With Belonging.
 At Esther's Place, Developing a
 meaningful connection to each
 individual "Esther," is our most
 important function to help them
 connect with critical resources and
 services on their road to self-
 sufficiency. Creating a safe, warm,
 and clean place for women leading
 difficult lives to find a welcoming
 community and hot meals during the
 day – and then helping them to find
 them safe, permanent and
 sustainable housing.

WE'RE FREE™

WASHINGTON STATE COCAINE ANONYMOUS

WE ARE ALL HERE TO HELP!

WELCOME TO COCAINE ANONYMOUS. WE ARE ALL HERE FOR THE SAME REASON—OUR INABILITY TO STOP USING COCAINE AND ALL OTHER MIND-ALTERING SUBSTANCES.

The first step towards solving any problem is admitting that there is a problem.

The problem, as we see it, consists of an obsession of the mind and an allergy of the body. The obsession is a continued and irresistible thought of the drugs and the next high. The allergy creates an absolute inability to stop using once we begin.

We wish to assure you that there is a solution and that recovery is possible. It begins with abstinence and continues with practicing the Twelve Steps of recovery, one day at a time. Our program, the Twelve Steps of Cocaine Anonymous, is the means by which we move from the problem of addiction to the solution of recovery.

WHO IS A C.A. MEMBER?

While the name “Cocaine Anonymous” may sound drug-specific, we wish to assure you that our program is not. Many of our members did a lot of cocaine; others used only a little, and some never even tried coke. We have members who drank only on occasion, those who casually referred to themselves as drunks, and others who were full-blown alcoholics. Lots of us used a wide variety of mind-altering substances. Whether we focused on a specific substance or used whatever we could get our hands on, we had one thing in common: eventually we all reached a point where we could not stop.

We are a Fellowship of addicts who meet together to share our hope, faith, and courage for the purpose of staying sober and helping others achieve the same freedom. Everything heard at our meetings is to be treated as confidential. There are no dues or fees of any kind. To be a member, you only have to want to quit. We also exchange phone numbers, and give and seek support from one another between meetings.
